Water Contract 1367:
Old Goucher
Neighborhood
Water Main Replacement

June 3, 2024

To Whom it May Concern,
Below is the project construction status update.

Work in Progress:

- Installation of new water main in the unit blocks of east and west 22nd street, Maryland avenue from 2000-2400 blocks and the unit blocks of east and west 23rd .
- Sampling and testing of newly installed watermain.
- Laying of temporary water main bypass throughout the project area where it will be needed for contingent water service while the new watermains are installed on the 2000-2400 blocks of Maryland Avenue, unit block of East 21st street, unit Block of West 22nd street and unit blocks of east and west 23rd street.
- Continue roadway restoration on North Charles Street from the 2000 block to the 2500 block. And on 25th street from St. Paul to Mayland Avenue

Americans with Disabilities Act (ADA) Notice

If an ADA Accommodation is needed during the construction, please contact:
Valorie LaCour, DOT ADA Compliance Division, ADA Coordinator
