SEWAGE BACKUP EXPEDITED REIMBURSEMENT PROGRAM

The Baltimore City Department of Public Works (DPW) wants to help customers understand sewage backups. A sewage backup occurs when water is pushed up into your home through the pipes from a sanitary sewer or drainage system. Dealing with a sewage backup is one of the most challenging incidents a homeowner or tenant can face.

DPW offers an Expedited Reimbursement Program for sewage backups caused by wet weather (rain/snow) events. This program reimburses residential customers for reasonable interior space cleanup and disinfection expenses related to a sewage backup. The maximum reimbursement is \$5,000 per residence, per occurrence.

Determinations for reimbursement must be made by DPW within 60 days of receipt of all submitted documentation.

HOW DOES DPW DETERMINE MY REIMBURSEMENT ELIGIBILITY?

Once DPW receives a completed application, the following information is checked:

- Applicant is a verifiable residential customer (homeowners, tenants, other residential).
- Applicant notified the City via 311 and received a Service Request Number (SR #) within 24 hours of the building backup.
- Applicant submitted the application within 90 days of discovering the damage.
- Building backup resulted from water entering the sanitary sewer system caused by a wet weather event (rain/snow) and no blockage was present.
- Clean-up and disinfection costs were appropriately documented.

HOW DO I GET AN APPLICATION?

-  Scan this QR code or visit the DPW website to download the application.

HOW DOES DPW VERIFY THE CAUSE OF THE BACKUP?

- Consult data from various weather sources to determine the severity of the weather event.
- Analyze laterals via an exterior cleanout, if present.
- Look for other reported backups in the area.
- Verify if property is in vulnerable low-lying area.
- Search for historical records of similar backups.
- Look for other potential causes of the damage (overgrown tree roots, cracked pipe, blockage, etc).

HOW DO I VERIFY MY ADDRESS?

You may verify your address with the City using:

- A signed copy of your lease.
- A copy of your water bill in your name.
