

Sanitary Contract 940 Hydraulic Improvements to the High Level Sewershed Collection System

October 01, 2022

To whom it may concern,

Sanitary Contract 940 is underway, and work is being completed at multiple locations. Work activities primarily consist of replacement and upsizing of sanitary sewers by open-cut excavation and installation of a large diameter relief sewer by micro-tunneling. The purpose of this project is to:

- Repair the aging sewer system
- Prevent sewer back-ups into private property
- Reduce/eliminate sewer overflows
- Improve sewage flows and pipe capacity
- Bring the City into long-term compliance with the Clean Water Act (1972)
- Comply with the conditions of the Consent Decree with the US EPA & MDE
- Improve stream water quality

SC940 is approximately 98 % complete with an expected end date of late Fall 2022.

Below is the project construction status update:

Work Completed To-Date

- **All open-cut sewer construction has been successfully completed project-wide. Includes the following locations:**
 - 2800 Block of Dukeland Street
 - 3000-3100 Blocks of Oakley Avenue
 - 3200 Block of Woodland Ave
 - 3300-3400 Virginia Avenue
 - 3300-3700 Blocks of Belle Ave, Ayrdale Road (from Barrington Ave to Belle Ave), and W Cold Spring Ln
 - 3800 Blocks of Sequoia Ave, Callaway Ave, Belle Ave (rear grass alley), Copley Road, Grantley Ave
 - 4400 Block of Towanda Ave
 - 4500-4600 Reisterstown Road
 - 4800 Block of Homer Ave and Park Heights Ave
 - 4900 Block of Queensberry Ave
- **All tunneling has been successfully completed along Wabash Ave (between Liberty Heights & W Cold Spring Ln) and along W Cold Spring Lane (between Wabash Ave and Towanda Ave)**

Ongoing & Upcoming Work (October 2022)

- **Site restoration work for all locations previously impacted during tunnel, pipe, and manhole construction**
 - Work will entail replacement of impacted concrete roadways, asphalt roadways, curbs, sidewalks and grass
 - “No Parking” signs may be installed as required to provide space for work
 - Temporary traffic modifications may be implemented while roadway repairs are underway
 - Work will take place during normal work hours, excluding holidays

Below are some pictures to highlight work in-progress and recently accomplished:

**New sidewalks and curbs at
2800 N. Dukeland Street**
(September 2022)

**New concrete medians at
4000 Wabash Avenue**
(August 2022)

**New asphalt and striping (underway) at
2800 N. Dukeland Street**
(September 2022)

We hope this provides insights for upcoming work as we strive to timely and safely complete this project. If you have any questions, please call (410) 396-4700, Monday through Friday, between 8:30 AM and 4:30 PM.
