Sanitary Contract 963 - Improvements to the Sanitary Sewers in the south west area of Baltimore City and Maidens Choice Pressure Sewer Assessment and Upland Sewer Replacement

December 1, 2020

To whom it may concern,  
Below is the project construction status update

Work has been temporary suspended, the Contractor is performing some CCTV inspection of the sewer lines. This work will not impact traffic or parking in the project area.

Work is expected to resume in mid-November or early December.

We hope this provides insight for the upcoming work as we strive to timely and safety complete this project. If you have any questions, please call. Additional information and resource area also available at our website <https://publicworks.baltimorecity.gov>
