

UNBUNDLING INITIATIVE

THE INITIATIVE

The Baltimore City Department of Public Works and other City agencies will identify and create appropriately sized contract opportunities to match the capabilities of newly trained General Contractors.

THE PURPOSE

To create viable Baltimore-based firms to compete in the City's Contracting Process to provide more competition and drive down costs and bridge the equity gap in the City's Contracting practices.

PHASES OF UNBUNDLING

Training -

- Become General Contractors (GC's) on Utility Contracts
- Build and grow Baltimore based businesses

Mentoring -

- Provide on-the-job training
- Provide administrative support
